THE FIRST LINE in the first paragraph of a chapter or after a break can be different and this is an example of that. Please note, the images and text examples used in this sample are either copyrighted by me or included under the guide of fair use with appropriate attribution.

This paragraph is purely to showcase the look and layout of the content as the chapter progresses. After this, let's include examples for a few other things, labeled by subheadings.

NOTE: Due to the need for layout flexibility, ebook results will be simpler and some embellishments will only be in the fixed layout of a print book.

BLOCK QUOTE EXAMPLE.

> *"Those who dream by day are cognizant of many things which escape those who dream only by night."*

VERSE EXAMPLE.

(Uses a centered alignment block for the title.)

<div align="center">

A Dream Within A Dream

</div>

Take this kiss upon the brow!
And, in parting from you now,
Thus much let me avow:
You are not wrong who deem
That my days have been a dream;
Yet if hope has flown away
In a night, or in a day,
In a vision, or in none,
Is it therefore the less gone?
All that we see or seem
Is but a dream within a dream.
I stand amid the roar
Of a surf-tormented shore,
And I hold within my hand
Grains of the golden sand--
How few! yet how they creep
Through my fingers to the deep,
While I weep--while I weep!
O God! can I not grasp
Them with a tighter clasp?
O God! can I not save
One from the pitiless wave?
Is all that we see or seem
But a dream within a dream?

IMAGE EXAMPLES

The example images vary in dimensions, so note the width changes in the images as the image size progresses.

Images come in four sizes in Vellum: small, small-medium, medium-large, and large. To do a full page image, the page with the image will have to be formatted and added outside of Vellum. Photographs can also be left-justified, centered, or right-justified. This is an example of how one might appear as a small image, right-justified at the top of a paragraph with the text wrapped around it. Photographs can be linked in the ebook versions. Captions and accessibility descriptions are included in this sample, but are optional choices.

Photograph: small, right-justified.

Portrait: small-medium, centered.

Freestanding image: large, centered, separate page.
